**What:** *Home Stagers Against Hunger*

**Who:** Professional Home Stagers come together to fill local food pantry

**When:** Tuesday June 30<sup>th</sup> 3pm to 7pm

**Where:** **600 Washington St, Pekin, IL**

**Presented by:** RESA and Pekin Boy Scout Troop #635

**Participants:** Home buyers, sellers, realtors and General public interested in home staging

**Cost:** One or more Pantry Items

The local Chapter of the Real Estate Staging Association is inviting the public to view a recently renovated and staged home in Pekin and help fill a local food pantry at the same time. For any HGTV addicts who love those Staging shows, this is a great opportunity to meet local staging professionals, view a fully staged home, and get all your questions answered...all while helping out a great cause. Come see how Real Estate Staging can change the look and feel of a home.

Boy Scouts give back to their community by helping feed veterans in need. We should all be inspired by the actions of Boy Scout Troop #635 of Pekin, IL. Under the guidance of troop leader John Coffey, the Eagle Scouts built a food pantry. To this day, troop #635 maintains The Veterans' Food Pantry. It is an honor for RESA to assist these young men in stocking the shelves of this pantry. We ask all of you to show your support to these boys by bringing as many canned items as you can spare.
